Vision:

We want to be a safe haven for all vulnerable people in Lebanon. We strive to be a role model in long-term humanitarian initiatives, while also establishing a human development system, that will lead to the establishment of a rejuvenated civil society across Lebanon.

Mission

We aim to end the region's suffering and hunger through solidarity among members of the same community and specialized organizations.

Value

We cherish our principles because they are a real representation of who we are as an NGO. These ideals guide our partnership and underpin all we do. Kheer Wajba Group's work is founded on principles, ethics, enthusiasm, and transparency.
